### **GENERAL INFORMATION:**

Academic and Administrative Building rest room partitions should be attached only to the ceiling and walls.

Residence Hall rest room partitions must be mounted to the floor and secured to walls wherever possible. The end partition may be solid block construction for added strength.

Where gang bathrooms are provided in residence halls, all shower/tub enclosures must have privacy screens.

Urinal screens must be provided in public bathrooms.

### **APPROVED MANUFACTURERS:**

#### 1. Solid Plastic:

- Capitol Partition, Inc.
- Comtec

### **DO'S AND DON'TS**

#### **DO'S:**

- DO** Review selection with Custodial Services.
- DO** Provide solid plastic components only.

#### **DON'TS:**

- DO NOT** Provide stainless steel partitions.
- DO NOT** Provide metal partitions.
