

NEW/RELOCATED GENERAL EQUIPMENT DATA SHEET

Document No.:

Page 1 of 2

Revisions	Number	0	1	2	Work Order Number	
	Date				Project Name	
	By				Department & Group	
	Checked				Location (Building and Room Number)	
	Approved				Equipment Tag Number	
	Issue				Equipment Name	

EQUIPMENT DATA

Equipment Type				
Manufacturer				
Model Number				
Serial Number				
Equipment Overall Dimensions (Indicate in SAE units)	Length	Width	Height	Weight

EQUIPMENT AFFECTS ON SURROUNDING SPACE & BUILDING

Will Equipment Generate Noise That will be Radiated into the Space or Building	Yes	No	Power/Pressure (dbA)	Frequency (Hertz)
Will Equipment Generate a Vibration That Could be Transferred into the Space or Building	Yes	No	What is the Frequency (Hertz)	
Will Equipment Radiate or Reject Heat to Surrounding Space	Yes	No	Heat Radiated or Rejected (BTU's)	
Will Equipment Raise Humidity/Moisture Levels in the Surrounding Space	Yes	No	Moisture Added (Grains of Water)	

EQUIPMENT AIRFLOW REQUIREMENTS DATA

Does the Equipment Require Supply/Make Up Air	Yes	No	Airflow (CFM)	Air Pressure In W.G.	Duct Connection (inches)
Does the Equipment Require Primary Exhaust	Yes	No	Airflow (CFM)	Air Pressure In W.G.	Duct Connection (inches)

	Date				Project Name	
	By				Department & Group	
	Checked				Location (Building and Room Number)	
	Approved				Equipment Tag Number	
	Issue				Equipment Name	

EQUIPMENT PLUMBING REQUIREMENTS FLOW REQUIREMENTS DATA

Does The Equipment Require Domestic Water	Yes	No	Flow Rate (GPM)	Pressure (PSI)	Water Temperature (°F)	Connection Size (in)
Does The Equipment Require Natural Gas	Yes	No	Flow Rate (CFH)	Pressure (in)		Connection Size (in)
Does the Equipment Require a Drain	Yes	No	Flow Rate (GPM)	Pressure (in)	Water Temperature (°F)	Connection Size (in)
Does the Equipment Require Fire Protection	Yes	No	Flow Rate (GPM)	N/A	N/A	N/A

EQUIPMENT ELECTRICAL REQUIREMENTS DATA

UL Listing (By code all electrical equipment should be UL listed –Please Indicate that it is and provide UL Listing Number)	UL Listing Number:						
Does the Equipment have a motor that is ½ HP or greater	Yes	No	FLA (Amps)	LRA (Amps)	Resistance (Volts)	Phase	Frequency (Hertz)
If the Equipment does not have a motor ½hp or greater does it require Primary Power	Yes	No	Power (Amps)	Resistance (Volts)	Phase	Frequency (Hertz)	
Does the Equipment Require Primary Emergency Power	Yes	No					
Does the Equipment Require a Plug	Yes	No	NEMA Rating of the Plug				
Is the equipment hard wired	Yes	No
